RE: BSE Declaration

Miraclon Corporation hereby represents and warrants that the following products are produced entirely from materials of synthetic origin and are therefore free from human or animal derived materials including bovine products. In addition, there are no animal derived components used in the manufacturing or handling processes of these products. As such these products, can be declared free of Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).

- FLEXCEL NXH Plates
- FLEXCEL NXC Plates
- FLEXCEL Thermal Imaging Layer (TIL)
- FLEXCEL Thermal Imager Layer-R (TIL-R)
- DITR Film

This determination is based on engineering evaluation and supplier declarations and is correct to the best of Miraclon Corporation's knowledge.
