Re: California Proposition 65 Declaration.

Miraclon Corporation hereby represents and warrants that the following products do not contain chemicals which are listed in California's Safe Drinking Water & Toxic Enforcement Act of 1986.

- FLEXCEL NXH Plates
- FLEXCEL NXC Plates
- FLEXCEL NXUH Plates
- FLEXCEL Thermal Imaging Layer (TIL)
- FLEXCEL Thermal Imager Layer-R (TIL-R)
- FLEXCEL SR Plates Products (SRH, SRC, SRC-K)
- DITR Film

This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

The Proposition 65 chemical list can be found at:

<https://oehha.ca.gov/proposition-65/proposition-65-list>

This determination is based on engineering evaluation and supplier declarations and is correct to the best of Miraclon Corporation's knowledge.

As part of our product stewardship and regulatory compliance efforts, we continue to monitor potential regulatory, safety, health and environmental impact of using our products.

Be assured, Miraclon Corporation's quality assurance team will continue to monitor the Proposition 65 regulations for any new chemicals and will compare any newly listed chemicals with the raw materials in our finished product and update the declaration as needed.

If you have additional questions or require further assistance, please feel free to email USCcustomercare@miraclon.com.
