3. Agreement Term and Termination.

3.1. Term of Agreement. Subject to earlier termination pursuant to conditions set forth in these Miraclon T&C's, the term of this Agreement shall commence on the Effective Date and, unless extended as provided in this condition 3.1, expire upon completion of the Initial Lease Rental Term. Miraclon's action or failure to act on one remedy constitutes neither an election to be limited thereto nor a waiver of any other remedy nor a release of the Customer from the liability to return the Equipment or for any loss or claim with respect thereto; and nothing herein shall be deemed to prejudice Miraclon's right to recover or prove damages for unpaid lease accrued prior to default, or ban an action for a deficiency as herein provided; and the bringing of an action with an entry of judgment against the Customer shall not bar Miraclon's right to repossess any or all Equipment. Miraclon's remedies shall be available to Miraclon's successors and assigns, shall be in addition to all other remedies provided by Applicable Law, and may be exercised concurrently or consecutively. Upon possession or surrender of any Equipment, Miraclon may, at its option, retain and operate the Equipment for its own account, or lease, sell or otherwise dispose of the Equipment as it sees fit, with or without prior notice and on public or private bid. This Agreement does not constitute a financial leasing as per article 1.9.47 Belgian Code of Economic Law or a leasing agreement as per the Royal Decree of 30 January 2001 or the Royal Decree nr. 55 of 10 November 1967. Despite the express intent of the parties, in the event that title to the Equipment transfers or is deemed to have been transferred to the Customer by operation of law or otherwise, the Customer hereby grants to Miraclon a purchase money security interest in the Equipment to the extent necessary to fully protect Miraclon's right, title and interest in the Equipment and to secure all amounts due from the Customer under this Agreement and Miraclon shall be entitled to all rights and remedies in relation to the Equipment that are

granted to a secured party under applicable law.

The Customer acknowledges that Miraclon intends to file financing statements covering the Equipment (the "Financing Statements"). The Customer hereby authorizes Miraclon to file the Financing Statements and any continuation statements or amendments without the signature of the Customer where permitted by law. If filing without Customer's signature is not permitted by law, the Customer agrees to sign the Financing Statements at Miraclon's request. A photocopy or other reproduction of this Agreement or any Financing Statement covering the Equipment shall be sufficient as a financing statement where permitted by law. The Customer agrees that on request it shall provide Miraclon with written proof satisfactory to Miraclon of Customer's complete and accurate official name (including capitalization and punctuation), the state in which the Customer was incorporated or organized, and Customer's organization identification number (if applicable). The Customer shall defend and indemnify Miraclon from and against any claims to the Equipment adverse to the interest of Miraclon in the Equipment. 4.4. Customer's Cooperation. The Customer and its subcontractors, if any, will fully cooperate without delay with Miraclon and/or its security consultants in any investigation regarding fraud and theft with regard to Miraclon property. Under the policies required in clauses (a) and (c) above, the Customer agrees to waive its right of subrogation and cause its insurance carrier to waive its right of subrogation, in each instance as such right may exist against Miraclon and for any and all loss and damage. All policies shall contain a clause requiring the insurer to furnish Miraclon with at least thirty (30) days prior written notice of any material change, cancellation or non-renewal of coverage. Upon execution of this Agreement, the Customer shall furnish Miraclon with a certificate of insurance or other evidence satisfactory to Miraclon that such insurance coverages are in effect, provided however, that Miraclon shall be under no duty either to ascertain the existence of or to examine such insurance coverage or to advise the Customer in the event such insurance coverage should not comply with the requirements hereof. The Customer shall also furnish Miraclon with a copy of the certificate of insurance annually thereafter. If the Customer fails to procure or maintain insurance or to comply with any other provision of this Agreement, Miraclon shall have the right, but shall not be obligated, to effect such insurance or compliance on behalf of the Customer. In that event, all costs and expenses of Miraclon in effecting such insurance or compliance shall be deemed to be additional lease and shall be paid by the Customer to Miraclon upon demand. The Customer appoints Miraclon as attorney-in-fact to make any claim for, receipt payment of, or execute or endorse all documents, checks or drafts for loss or damage or return of premium under all such insurance and otherwise in respect to all awards or other compensation payable in respect of any condemnation, confiscation, seizure or requisition of any Equipment.
