

Subject Line: Updated Packaging and Product Numbers for FLEXCEL NX 5065 and 5080 TIL-R Film

Header Line: Updated Packaging and Product Numbers for FLEXCEL NX 5065 and 5080 TIL-R Film

To our valued customers:

This notification is for informational purposes only.

As part of our ongoing commitment to improving sustainability and efficiency within our supply chain, beginning May 2024, **FLEXCEL NX 5065 TIL-R Film (1270 x 1651mm) and FLEXCEL NX 5080 TIL-R Film (1270 x 2032mm) sizes will ship in a new box.** This streamlined box will feature a thinner profile while reducing packaging waste.

For the impacted products, the following changes will go into effect:

- **Film** – Product numbers will be updated to reflect the new box style.

What action do I need to take?

If you order plate kits, please continue to order your current kit. Miraclon Customer Care will notify you when your kits transition to the updated film product numbers.

If you order plates or TIL-R individually, please continue to order your current product until you are notified by Miraclon Customer Care to begin using the new product numbers.

Please note – during the transition period, you may receive orders that contain new product numbers, the discontinued product numbers, or a combination of both.

What products are included in these changes?

For a complete list of impacted products and their updated product numbers, please refer to the following link: <https://www.miraclon.com/product-notifications/updated-packaging-and-product-numbers-for-5065-and-5080-til-r-film/>

If you have any questions regarding this communication, please contact customer care or your local sales representative.

We are here to help.

Thank you for choosing FLEXCEL NX Solutions.
